

TWISTER E60

A NEW STORM IS ON THE HORIZON
INTRODUCING THE **TWISTER E60** BY AIRWORKS

THE NEXT GENERATION OF MOBILE AIR COMPRESSOR SYSTEMS

ABOUT AIRWORKS

Over a decade of research, development, and rigorous testing in extreme environments, has enabled Airworks Compressors Corp to create a mobile or truck mounted D.C. compressor unparalleled in today's market. From its extensive applications, compact size, cost savings and high performance, our battery powered air compressors are designed to meet all of our customer needs. Airworks is the industry leader in clean technology for service truck applications. Airworks Compressors Corp is your **environmental advantage**.

BENEFITS

- Zero emissions
- Less weight, compact and powerful, quiet
- Portable universal fit
- Easy to transfer
- Size: from 16"W x 26"L x 20"H, 135lbs (without batteries)
- Battery pack size: 12"W x 46"L x 24"H (varies – optional packages available)

THE WORLD'S FIRST D.C. POWERED ROTARY SCREW COMPRESSOR UNIT

STANDARD FEATURES

- Direct drive rotary screw 40 and 60 cfm configurations
- Up to 60 cfm 150 PSI output
- Zero emissions
- Charge from vehicle or standard 120 V wall outlet
- Auto start/stop
- Silent Operation – 64dB
- Soft start and adjustable demand features
- Digital display
- Simple plug and play installation
- Lifetime compressor warranty
- USB diagnostic capable
- Military robotics AGM battery pack – 3 year warranty

OPTIONAL FEATURES

- AC power inverter
- Stand alone package
- Heliportable package
- 12/24 volt lightning battery booster
- Welder – Mig
- Custom package configurations
- Solar charging
- Hydraulic pump output

APPLICATIONS

- Air up to 60 cfm
- Service Trucks
- Compressor Stations
- Drilling & Service Rigs
- Construction
- Mining & Logging
- Military
- Lube Units
- Stationary Units
- Remote Locations
- Back Up Systems
- High Altitude
- Underground
